F.S. Candino
Industries

MANUFACTURING THE BEST QUALITY AND THE MOST COMFORTABLE GLOVES

F.S. Candino Industries is one of the leading manufacturers and exporters in the field of industrial hand protection safety gloves (Leather Working Gloves, Driver Gloves, Mechanics and Winter Gloves etc.) in Sialkot-Pakistan since 1985. In 30 years we have gained a lot of experience and knowledge, which makes us a trusted leading supplier within the Gloves industry of Pakistan. We have our own tannery, production and packing departments under one roof, which provides us competitive advantage in terms of maintaining quality, low (internal) transportation cost and swift delivery solutions. We have specialized and highly skilled supervision and management team to control all operations and for improving the working techniques.

OUR PRODUCTS:

We can offer you the best quality gloves at the best prices. Our vast range of articles are CE (EN:388:2016) certified under New Regulation EU 2016/425. In our extensive range of working Leather Gloves, Canadian Gloves, Driver Gloves, Welding Gloves, Winter Gloves, Hunting Gloves, Mechanics Gloves and PU Leather Gloves, you can undoubtedly find what you are looking for.

HEALTH AND SAFETY

We are an ISO 9001:2015 certified company. We use AZO free and REACH certified material for the production of our gloves. We are qualified to affix CE-Marking on our famous gloves and we assure you that when are you buying a pair of gloves from our company then you are buying a carefully inspected and harmful substances-free gloves.

WORKING CAPACITY

Our annual production capacity of gloves is around 2 - 2.5 Million pairs. We have our own leather tannery, more than 300 Employees, 250 Sewing Machines, 30 Hydraulic Cutting Presses, Own Printing, PVC Rubber & Silicone Unit and ERP Software System

R & D DEPARTMENT

F.S. Candino Industries invests a lot of time and energy on its research and development department in finding modern and innovative products designs and checking every latest invention in the field of gloves. We always endeavor to offer gloves that meet the needs of our customers. If you are looking for a special custom glove please contact us because we have over 30 years of experience in gloves designing and crafting as per customer requirement. We can produce gloves with your company logo.

Available in all colors and sizes.

FS-714

M/O synthetic leather with extra palm with non slip silicone priting, back fourway with foam & playboy lamination, PVC material on knuckle, TPR Strap with velcro closure & PU piping.
Available in all colors and sizes.

FS-715

M/O synthetic leather with extra palm of PVC grip material, back Mesh with playboy, neoprene cuff, TPR Strap with velcro closure & lycra piping.
Available in all colors and sizes.

FS-716

M/O Shoftshell cowhide & digital leather, back fourway & mesh with foam & playboy lamination, carbon kevlar on knuckle for extra protection, elastic tape, TPR strap with velcro clouser & PU piping.
Available in all colors and sizes.

IMPACT PROTECTION

www.fscandino.com

FS-801

M/O synthetic leather with extra palm of non slip silicone printing with foam gel padding. Back & thumb fourway with foam & playboy lamination, TPR direct inject for extra protection, neoprene cuff, lycra piping. Available in all colors and sizes.

FS-802

M/O synthetic leather with PVC grip for extra palm, back mesh with playboy lamination, TPR direct inject for extra protection, TPR finger & thumb protection, reflector & foam gel protection on knuckle. neoprene cuff & lycra piping. Available in all colors and sizes.

FS-803

M/O Kevlar grip material with synthetic leather back fourway with foam & playboy lamination, between fingers synthetic leather, TPR direct inject, neoprene cuff, lycra piping. Available in all colors and sizes.

FS-804

M/O synthetic leather with foam padding, back camo mesh with foam & playboy lamination, TPR finger for extra protection, carbon kevlar on knuckle for extra protection, elastic tape, TPR Strap with velcro closure & PU piping. Available in all colors and sizes.

IMPACT PROTECTION

FS-805

M/O Synthetic leather with extra palm of Digital PU leather, Synthetic leather with small holes between fingers, back mesh fabric with playboy lamination, TPR extra protection on knuckle, embossed neoprene cuff, TPR strap with velcro closure & PU piping. Available in all colors and sizes.

FS-806

M/O Goatskin, between fingers & extra palm of synthetic leather, inside foam Gel padding, back fourway with foam & playboy lamination, tumb towel with foam & playboy lamination, TPR direct inject for extra protection, TPR strap with velcro closure & lycra piping. Available in all colors and sizes.

FS-807

M/O synthetic leather with extra palm PVC grip material, back fourway with foam & playboy lamination, reflective on Knuckle & foam gel protection on back, TPR finger & thumb protection, Elastic tape, TPR Strap with Velcro closure & PU piping. Available in all colors and sizes.

FS-808

M/O synthetic leather with non split silicone printing & foam lamination. Back & thumb fourway & playboy lamination, TPR direct inject for extra protection, neoprene cuff, lycra piping. Available in all colors and sizes.

FS-809

M/O synthetic leather with extra palm of non slip silicone printing, back fourway with foam & playboy lamination, TPR direct inject for extra protection, TPR finger & thumb protection, reflector & foam gel protection on knuckle, neoprene cuff, lycra piping. Available in all colors and sizes.

FS-810

M/O synthetic leather with extra palm PVC grip material, back fourway with foam with playboy lamination, TPR extra protection on Knuckle, Neoprene cuff, TPR Strap with velcro closure & lycra piping. Available in all colors and sizes.

FS-811

M/O synthetic leather with foam padding, back & thumb mesh & fourway with foam & playboy lamination, carbon kevlar on knuckle, TPR direct inject for extra protection, TPR finger & thumb protection neoprene cuff, lycra piping. Available in all colors and sizes.

FS-812

M/O synthetic leather with non slip silicon printing on index & middle fingers, PVC gripy on extra palm, foam gel padding, back & thumb fourway with foam & playboy lamination, TPR direct inject for extra protection, neoprene cuff, TPR strap with velcro clouser & lycra piping. Available in all colors and sizes.

FS-813

M/O Goatskin, index finger and thumb with touch material, back fourway with foam & playboy lamination, carbon kevlar on knuckle for extra protection, TPR finger, & thumb protection, elastic tape, TPR strap with velcro closure & PU piping. Available in all colors and sizes.

FS-814

M/O synthetic leather with PVC grip for extra palm with foam gel padding, back & thumb fourway with foam & playboy lamination, TPR direct inject for extra protection, Mesh on cuff, Available in all colors and sizes.

FS-815

M/O Synthetic leather with small holes, foam pading, extra palm PVC grip material, touch material on index finger and thumb, back polyester mesh with foam & playboy lamination, TPR direct injeikt for extra protection and magnet on back, neoprene cuff, TPR strap with velcro closure & lycra piping. Available in all colors and sizes.

FS-816

M/O synthetic with non slip silicon grip material, back fourway with foam & playboy lamination, TPR direct inject for extra protection, thumb towel with foam & playboy lamiantion, embossed neoprene cuff, TPR Strap with velcro closure & lycra piping, Available in all colors and sizes.

BASIC SYNTHETIC LEATHER GLOVES

www.fscandino.com

FS-901

M/O Synthetic leather, back trinda fabric
& polyester piping.
Available in all colors and sizes.

FS-901-A

FS-901-B

FS-901-C

FS-902

M/O synthetic leather, back & between fingers
Trinda Fabric, Elastic tape, PVC Strap,
Velcro closure & polyester piping.
Available in all colors and sizes.

FS-903

M/O Synthetic leather, back trinda fabric & polyester piping. Available in all colors and sizes.

FS-904 T-A

FS-904 T-B

FS-905

M/O synthetic leather, back & cuff polyester mesh with foam lamination, reflector on knuckle, fleece lining with 3m thinsulate (100g) polyester piping. Available in all colors and sizes.

FS-906

M/O synthetic leather polyester mesh with playboy, Available in all colors and sizes.

FS-907 (TOUCH)

M/O Synthetic leather, touch fabric back trinda fabric & polyester piping. Available in all colors and sizes.

PU LEATHER GLOVES

www.fscandino.com

FS-1001

M/O PU leather back fourway with playboy lamination, lycra cloth between fingers, PU piping. Available in all colors and sizes.

FS-1002

M/O digital PU leather back fourway with playboy lamination, popcon fabric between finger, lycra piping. Available in all colors and sizes.

FS-1003

M/O digital PU leather, back fourway with playboy, elastic tape with velcro clouser, reflector & PU piping. Available in all colors and sizes.

FS-1004

M/O digital PU leather, back fourway with foam & playboy lamination, towel with foam & playboy lamination on thumb, lycra between fingers & piping. Available in all colors and sizes.

FS-1005

M/O Digital PU leather with foam Gel padding, back fourway with playboy lamination, inside half fleece lining, Popcone fabric between fingers, reflective & PU piping. Available in all colors and sizes.

FS-1006 W

M/O digital PU leather back fourway with playboy lamination, popcon fabric between finger, lycra piping. Available in all colors and sizes.

FS-1007 W

M/O PU Leather back Fourway with foam & playboy lamination, popcon fabric between fingers, reflector piping on knuckle, knitted wrist, inside fleece & foam lining with water membrane, Available in all colors and sizes.

FS-1008 W

M/O PU leather back softshell with foam on knuckle for extra protection, fleece lining with lamination of thinsulate (100 gm) & water membrane, nylon knitted wrist, PU piping. Available in all colors and sizes.

FS-1009

M/O PU leather, back thermal fabric with foam & playboy lamination, polyester between fingers & piping. Available in all colors and sizes.

FS-1010 W

M/O PU Leather back Fourway with foam & playboy lamination, popcon fabric between fingers, reflector piping on knuckle & cuff, Jean rubberized cuff, inside fleece & foam lining with water membrane, PU piping Available in all colors and sizes.

PU GLOVES

FS-1011 W

M/O PU leather with foam gel padding, back fourway with foam & playboy lamination, Jean rubberized cuff, inside fleece with foam lining & water membrane, reflective & PU piping. Available in all colors and sizes.

FS-1012

M/O Digital PU leather, back fourway with playboy lamination, lycra cloth between fingers, elastic tape with velcro clouser & PU piping. Available in all colors and sizes.

FS-1013 W

M/O Digital PU leather with foam gel padding, back fourway with foam & playboy lamination, neoprene cuff, inside fleece with foam & water membrane, reflective & PU piping. Available in all colors and sizes.

FS-1014

M/O PU leather with foam padding, back fourway with foam & playboy lamination, lycra piping. Available in all colors and sizes.

FS-1015

M/O Digital PU leather, back neoprene, elastic tape & PVS strap with velcro closure PU piping. Available in all colors and sizes.

FS-1016

M/O Synthetic leather, back trinda fabric & polyester piping. Available in all colors and sizes.

WINTER GLOVES

www.fscandino.com

FS-1101 W (TOUCH)

M/O Cowhide with touch fabric on index finger & thumb, non slip Silicone Printing on finger tips, synthetic leather between fingers, back & thumb fourway with foam & playboy lamination, inside fleece lining with 3M thinsulate (100g) and foam lamination, Reflector & PU Piping on knuckle, Knitted wrist. Available in all colors and sizes. Also available in goatskin and buffalo.

FS-1102 W

FS-1103 W

M/O Cowhide with foam & playboy lamination, non slip Silicone Printing on finger tips, inside fleece lining with 3M thinsulate (40g) and foam lamination with water membrane, reflector & PU Piping on knuckle, neoprene cuff, lycra piping. Available in all colors and sizes. Also available in goatskin and buffalo.

FS-1104 W

M/O Goatskin, back, cuff & between finger softshell, inside fleece lining with 3m thinsulate (150g) with water-membrane, inside cuff cat fur, lycra piping. Available in all colors and sizes. Also available in Cowhide.

FS-1105 W

M/O Goatskin with extra palm of goatskin, back cordura fabric, embossed neoprene on knuckle, velcro closure on cuff, reflective piping on knuckle, inside fleece lining with 3M thinsulate (40g) with foam lining & water membrane. Available in all colors and sizes. Also available in cowhide.

FS-1106 W

M/O Goatskin with Cordura fabric, back & thumb thurmulate fabric (150g), inside fleece with 3M thinsulate (100 g) with water-membrane, 3M Scotchlite fabric on knuckle, Available in all colors and sizes. Also available in Cowhide.

FS-1107 W

M/O Goatskin with extra palm of digital leather, back cordura fabric, embossed neoprene on knuckle and fingers, velcro closure on cuff, reflective piping, inside fleece lining with 3M thinsulate (40g) with foam lining & water membrane. Available in all colors and sizes. Also available in cowhide.

CUT RESISTANCE GLOVES

www.fscandino.com

FS-1151 W

M/O goatskin with extra palm of split leather, TPR on finger & knuckle for extra protection, kevlar cut 3 lining, polyester piping, sewn with Kevlar thread, Available in all colors and sizes.

FS-1151-A (W)

with gel palm

FS-1152 W

M/O cowhide inside spectra lining for cut resistance, polyester piping.
Available in all colors and sizes.
Also available in Goatskin & Buffalo.

EN 388:2016
2122X

FS-1153 W/FS-435

M/O cowhide inside spectra lining for cut resistance, back rib fabric, polyester piping, sewn with Kevlar thread,
Available in all colors and sizes.
Also available in Goatskin & Buffalo.

FS-1154 W

M/O synthetic leather with extra palm PVC grip material, back fourway with foam & playboy lamination, foam gel on knuckle for extra protection, TPR finger, & thumb protection, neoprene cuff, Spectra lining, PU piping.
Available in all colors and sizes.

FS-1155 W

M/O goatskin with extra palm of Split leather, split cuff, sythetic leather between fingers, TPR on knuckle and fingers for extra portection, inside kevlar cut 3 with 3M thinsulate (100g), fur lining & PU piping, sewn with Kevlar thread, Available in all colors and sizes.

FS-1156 W

M/O goatskin back fourway with foam & playboy lamination, reflective material on knuckle, inside Spectra lining, PU piping,
Available in all colors and sizes.
Also available in Cowhide & Buffalo.

FS-1157 W

M/O synthetic leather inside foam padding, back fourway with foam & playboy lamination, carbon kevlar on knuckle for extra protection, TPR finger, & thumb protection, neoprene cuff, Spectra lining, reflector & PU piping.
Available in all colors and sizes.

ANTI VIBRATION GLOVES

www.fscandino.com

FS-1201

M/O Synthetic leather with extra palm inside Gel padding, back fourway with foam & playboy lamination, thumb towel with foam & palyboy lamination, direct injekt for extra protection, TPR strap with velcro closure & lycra piping. Available in all colors & Sizes.

FS-1202

M/O Synthetic leather with non slip silicon printing, inside Gel pading, back fourway with foam & playboy lamination, thumb towel with foam & palyboy lamination, direct injekt for extra protection, cuff and strap of neoprene with velcro closure, reflector and lycra piping. Available in all colors & Sizes.

FS-1203

M/O synthetic leather with Gel palm, back fourway, foam with playboy, Neoprene cuff, TPR strap with Velcro closure & lycra piping. Available in all colors & Sizes.

FS-1204 (TOUCH)

M/O synthetic leather with extra palm of PVC grip material back fourway with foam & playboy lamination, lycra between fingers & piping. Available in all colors & Sizes.

FS-1205

M/O goatskin leather with extra palm of suede with gel padding, back polyester mesh with playboy PVC strap on knuckle TPR extra protection, velcor closure & polyester Pinping. Available in all colors & Sizes.

FRAMERS GLOVES

FS-1226

M/O synthetic leather with extra palm of non slip silicon printing and PVC grip material, back fourway with foam & playboy lamination, lycra cloth between fingers, embossed neoprene on Knuckle, neoprene cuff, TPR strap with velcro closure, lycra piping. Available in all colors and sizes.

FS-1228

M/O Synthetic leather with PVC grippy on palm, back fourway with foam & playboy lamination, lycra between fingers & piping, towel With foam on thumb, neoprene cuff, TPR strap & velcro clouser. Available in all colors and sizes.

FS-1227

M/O synthetic leather with extra palm of PVC Grip material, back fourway, thumb towel with foam & playboy lamination, lycra between finger, TPR strap & velcro closure, lycra & PU piping. Available in all colors and sizes.

FS-1229

M/O Synthetic leather with gel padding, back fourway with elastic tape, TPR strap with velcro closure, PU Piping. Available in all colors & Sizes.

FLEECE GLOVES

www.fscandino.com

FS-1251 W

M/O water proof wind stopper with extra palm of synthetic leather, reflector tape on back side, inside fleece lining with 3m thinsulate (40g) with water membrane & PU piping.
Available in all colors & Sizes.

FS-1252 W

M/O Sheepskin with piping, Back camo fleece, inside polyboy with thermolite fabric (150g) and water membrane.
Available in all colors & Sizes.

FS-1253 W

M/O water proof fleece with extra palm of synthetic leather, back and thumb camo fleece with foam, inside fleece lining with 3M thinsulate (40g foam), velcro closure on cuff & PU piping.
Available in all colors & Sizes.

FS-1254 W

M/O Synthetic leather back fleece with foam on back & thumb, elastic tape, TPR strap with Velcro closure, PU piping.
Available in all colors & Sizes.

FS-1255 (TOUCH)

M/O polar fleece with non slip silicone printing, touch fabric on index finger & thumb.
Available in all colors & Sizes.

HUNTING GLOVES

FS-1276 W

Hunting gloves M/O goatskin with extra palm for protection & wind stopper material, inside fleece with 3M thinsulate (40 gm) with lamination of foam, pocket on back side for using heating pad, velcro on index finger & thumb for folding them, velcro clouser, lycra piping.
Available in all colors and sizes.

FS-1277

Hunting gloves M/O wind stopper & waterproof material, PVC grip material on palm for extra grip, black nylon Kinttedwrist, polyester piping, polyester pul tag.
Available in all colors & Sizes.

FS-1278

M/O polar fleece with non slip silicone printing on palm, fur folding & velcro on index, middle & thumb.
Available in all colors & Sizes.

MITTEN GLOVES

FS-1301 W

Mitt Glove M/O Goatskin Back Shaffshell, Inside removable fur lining & velcro closure,
Available in all colors and sizes.
Also available in Cowhide.

FS-1302

M/O Sheepskin suede with cat fur with outside sewn. Available in all colors and sizes.
Also available in goatskin.

FS-1303 W

M/O Cowhide with split leather cuff, inside sheep fur lining.
Available in all colors and sizes.
Also available in Goatskin.

SPLIT LEATHER GLOVES

www.fscandino.com

FS-1326 W

M/O split leather, inside fleece jeans lining, sewn with kevlar thread, Available in all colors and sizes.

FS-1327 W

M/O split leather, inside fleece jeans lining, sewn with kevlar thread, Available in all colors and sizes.

FS-1328 W

M/O split leather, inside fleece jeans lining, sewn with kevlar thread, Available in all colors and sizes.

FS-1329 W

M/O split leather, inside double fleece lining, polyester tape piping, Available in all colors and sizes.

FS-1330 W

M/O split leather, inside fleece jeans lining, sewn with kevlar thread, Available in all colors and sizes.

FS-1351

M/O split leather, back jeans with rubberized cuff, inside half fleece lining, polyester piping, Available in all colors and sizes.
